

EXECUTIVE CAR BONUS

2K10

Have you always dreamed of owning a luxury car?

The kind that makes you feel like a million bucks every time you slide into the leather seats? With the 2010 Executive Car Bonus, Synergy is making that dream a reality and will soon be handing over keys of beautiful new Mercedes-Benzes to qualified Team Members.

This luxurious reward is given to Synergy Team Member Executives for high-level personal rank advancement and sustained activity. This incentive is open to all—every Team Member has the potential to drive away in their very own Mercedes-Benz.

HERE'S HOW IT WORKS*

- ◆ Promotion begins January 1, 2010 and runs through September 30, 2010.
- ◆ Executive Car Bonus begins at the Pearl Executive level.
- ◆ For Pearl Executive Qualification, you must hit Pearl Executive (for the first time) and maintain the level for any three months during the promotion period.
- ◆ To qualify at the Emerald level and above, you must hit a new, highest personal Team Member Executive pin title (Emerald-Triple Presidential) twice within the promotion period.
- ◆ The cars will be presented at our 2010 Synergy Summit in October.

Each pin level corresponds with a model of Mercedes-Benz.

* Car Qualification Level (CQL) is defined as your highest car qualification level. Minimum Qualification Level (MQL) is defined as the level below your CQL. You must maintain your MQL for the duration of the qualification period or you will forfeit the car bonus. If you do not maintain your MQL during the lease period (2 years) you will be responsible for the lease payment for the months in which you don't meet the requirements. All monthly volume must be placed in the system by month end. Any returns or other adjustments will be factored into the calculation of this promotion and will impact your qualifications. To qualify for the car bonus, you must have a minimum of 120 Personal CV each month. You must lease the car in order to receive the bonus. The car bonus will cover the down payment and monthly amount.
